The Friends of Chernobyl's Children South Lakes began in 1995 and has brought 18 children over, from Mogilev, each year since then. We have host families around Kendal, Allithwaite, Carnforth, Nether Kellet, Bolton-le- Sands, Morecambe and Heysham. If you wish to become a host family or help with the group, please contact Denise using any of the options shown above.

See our short video clip of David and Denise's trip to Belarus in October 2011.

The clip shows the children and families in Belarus who our charity has helped over the years. Turn the sound up and get out your hankies!
